Principle 1 LAY SOLID FOUNDATION FOR MANAGEMENT AND OVERSIGHT
--

Board Role and Functions

The Board seeks to identify the expectations of the shareholders, as well as other regulatory and ethical expectations and obligations. In addition, the Board is responsible for identifying areas of significant business risk and ensuring arrangements are in place to adequately manage those risks. To ensure that the Board is well equipped to discharge its responsibilities it has established guidelines for the nomination and selection of directors and for the operation of the Board. The responsibility for the operation and administration of the Group is delegated by the Board to the Managing Director and the executive management team.

The Board ensures that this team is appropriately qualified and experienced to discharge their responsibilities and has in place procedures to assess the performance of the executive management team. Whilst at all times the Board retains full responsibility for guiding and monitoring the Group, in discharging its stewardship it makes use of sub-committees. Specialist committees are able to focus on a particular responsibility and provide informed feedback to the Board. To this end the Board has established an Audit, Compliance and Corporate Governance Committee ("Audit Committee"). Given that the Board has and at the date of this report comprises five directors of which two directors are normally resident in Australia, the functions and considerations of the Committees are dealt with within the Board Meetings and chaired by the chairman of such committees. The Chairman of the Board of Directors does not chair any meetings or considerations of the Committees.

The directors in office at the date of this statement, their skills, experience, expertise and period of directorship are detailed in the Directors' Report which can be found as noted above at page 3 of the 2017 Annual Report. In respect of the attendance at Board and Committee Meetings, shareholders are referred to the table of Meeting Attendance contained on page 7.

Structure of the Board

The skills, experience and expertise relevant to the position of director held by each director in office at the date of the annual report are included in the directors' report. Directors of Hawthorn Resources Limited are considered to be independent when they are independent of management and free from any business or other relationship that could materially interfere with, or could reasonably be perceived to materially interfere with, the exercise of their unfettered and independent judgement.

**Hawthorn Resources Limited
2017 Corporate Governance Statement**

Corporate Governance Practices and Conduct

In the context of director independence, “materiality” is considered from both the Group and individual director perspective. The determination of materiality requires consideration of both quantitative and qualitative elements. An item is presumed to be quantitatively immaterial if it is equal to or less than 5% of the appropriate base amount. It is presumed to be material (unless there is qualitative evidence to the contrary) if it is equal to or greater than 10% of the appropriate base amount. Qualitative factors considered include whether a relationship is strategically important, the competitive landscape, the nature of the relationship and the contractual or other arrangements governing it and other factors that point to the actual ability of the director in question to shape the direction of the Group's loyalty.

In accordance with the definition of independence above, and the materiality thresholds set, the following directors of Hawthorn Resources Limited are considered to have the following status:

Name	Position and status	Term in Office
Non-Executive Directors		
David S Tyrwhitt	Non-Executive Director Chairman - Audit, Compliance & Corporate Governance Committee	20.6 years
Liao, Yongzhong	Non-Executive Director	4.6 years
Li, Yijie	Non-Executive Director	4.6 years
Liu, Zhensheng	Non-Executive Director	1.6 years
Executive Directors		
Mark G Kerr	Chairman & Managing Director/ CEO	9.6 years

During the year there were no changes to the membership of the Board of Directors. However, with effect from 5 October 2017 Mr Christopher Corrigan joined the Board as a Non-Executive Director.

The Board acknowledges the Corporate Governance Council's recommendation that the Chairman should be an independent director.

Composition of the Board

The Company's Constitution provides for the appointment of a minimum of three directors and up to a maximum of twelve. At the date of this report, the Company has six directors comprising one Executive and five Non-Executive directors.

The Chairman of the Board of Directors, Mr Kerr, following his additional appointment as Managing Director in June 2016 is no longer considered to be a Non-Executive Director. The Chairman of the Company's Audit, Compliance and Corporate Governance Committee, Dr Tyrwhitt, continues to be considered to be an Independent Director.

In June 2016 following the resignation of Mr Elliott, the Board of Directors undertook a review of the status of each remaining Director and reached the opinion that each Director, apart from the Managing Director/CEO - Mr Kerr, could be continue to be classified as a Non-Executive director. In addition, this assessment has affirmed that Dr Tyrwhitt qualified as an Independent Director. In addition, Mr Kerr, prior to his appointment in June 2016 as Managing Director/ CEO whilst considered to be a Non-Executive Director, was not regarded as an Independent Director due to the level of entitlement to the Company's ordinary shares and the ongoing contractual serviced office arrangements with Berkeley Consultants Pty Ltd - a company in which Mr Kerr has a prescribed interest. Messrs Liao, Yongzhong, Li, Yijie and Liu, Zhensheng are Directors nominated by Feng Hua Mining Investment Holding (HK) Limited pursuant to its rights under the August 2012 Share Subscription Agreement. As such, whilst they are Non-Executive directors they are not regarded as Independent Directors.

Mr Corrigan, who joined the Board of Directors on 5 October 2017, whilst a Non-Executive Director is not regarede as an Independent Director through his declared interest in the shares held by an associate - substantial shareholder Belfort Investment Advisors Limited.

DIVERSITY

The Hawthorn Board of Directors adopted a policy on Diversity in July 2011.

The Company's Diversity Statement can be viewed on the website at www.hawthornresources.com/governance.aspx

Whilst Hawthorn Resources Limited, as a small exploration entity, seeks to restrict the size of its staffing by the outsourcing of such functions as accounts preparation; secretarial and exploration services; mining tenement management and share registry services to experienced professionals it recognises the value contributed to an organisation by employing or engaging people with varying skills, cultural backgrounds, ethnicity and experience. Hawthorn Resources believes that the quality of the workforce is the key to its continued growth, improved productivity and performance. As at the date of this report apart from the members of the Board of Directors the Company has one direct employee. The Company is not a 'relevant employer' under the Workplace Gender Equality Act.

**Hawthorn Resources Limited
2017 Corporate Governance Statement**

Corporate Governance Practices and Conduct

The Company actively values and embraces the diversity of our employees/out-sourced consultants and are committed to creating an inclusive workplace where everyone is treated equally and fairly, and where discrimination, harassment and inequity are not tolerated. While Hawthorn Resources is committed to fostering diversity at all levels, the professional industry experience and quality of performance has been and continues to be a priority for the Company in engaging services to carry out the Company's works programme.

To this end, the Company supports and complies with the recommendations contained in the ASX *Corporate Governance Principles and Recommendations*. The Company has established a diversity policy outlining the Board's measurable objectives for achieving diversity. This is assessed annually to measure the progress towards achieving those objectives. The diversity policy is available in the corporate governance section on the Company's website.

Broadly, the Company's measurable objectives are as follows:

- Hawthorn Resources state and re-state where necessary that there are no forms of discrimination/bias in considering anyone for a position with the Company either as an employee or service provider, i.e. on grounds of gender, age, physical appearance, origins, race, religion, marital status, sexual preference, pregnancy or likely pregnancy, political leanings, disabilities
- All new appointments or promotion/career enhancement and remuneration be on the basis of merit and ability to carry out the work responsibilities
- Within the broad ambit of ensuring that the Company's activities are best developed and to ensure harmony of working within the Company that there be flexibility in working hours to enable domestic/private lives to allow for a balance between career and family obligations
- Consideration be given to job sharing in such circumstances that would permit sharing.

The table below outlines the diversity within Hawthorn Resources Limited:

Level	Male		Female		Total
	Number	%	Number	%	
Board	6	100%	0	0%	6
Key Management personnel	0	0%	0	0%	0
Other staff	0	0%	1	100%	1
Total	6	100%	1	100%	7

As noted, the Hawthorn Resources Limited Board of Directors adopted the policy on diversity in July 2011.

The Board of Directors is responsible for the reviewing and reporting on diversity.

BOARD PERFORMANCE

**Hawthorn Resources Limited
2017 Corporate Governance Statement**

Corporate Governance Practices and Conduct

Principle 2 STRUCTURE THE BOARD TO ADD VALUE

NOMINATION AND REMUNERATION COMMITTEE

Director Nomination and Membership

Nomination Committee

The Company does not have a Nomination Committee. The Board believes that with five directors of which only two directors on the Board are normally resident in Australia, the Board itself is the appropriate forum to deal with this function. Subject to the provisions of the Company's Constitution, Board composition and selection criteria for directors are addressed by the full Board.

The Constitution provides for events whereby directors may be removed from the Board. Similarly, the Corporations Act provides shareholders with the ability to nominate, appoint and remove directors. The Constitution also provides for the regular rotation of directors, which ensures that directors seek re-election by shareholders at least once every three years.

Remuneration Committee

The Company does not have a Remuneration Committee. The Board is responsible for determining and reviewing compensation arrangements for the directors themselves, the chief executive officer and executive team. A Remuneration Committee has not been separately established. Rather, the function is performed within the Board Meetings given that the Company at this time has a Board comprising five members of which only three members are normally resident in Australia

BOARD SKILL MATRIX

The Company has developed a matrix of skills and experiences necessary for the growth and development of the Company as an active explorer and mine developer in the Australian mining industries. The matrix is designed an ongoing review tool aids in noting the existing skills and experiences within the Company and those skills necessary to grow the Company as it expands in to mining activities such as, but not limited to:

- (b) industry experience in Federal and State mining legislation

- (g) Corporate governance - experience in holding office in listed entities

INDEPENDENT DIRECTORS

As noted in Principle 1 - the Company has a Board of five directors of which four are classified as Non-Executive directors. Of the Non-Executive directors only Dr Tyrwhitt has been considered to be Independent for the reasons stated.

**Hawthorn Resources Limited
2017 Corporate Governance Statement**

Corporate Governance Practices and Conduct

In making this regular assessment the criteria applied included the factors set out in ASXCGPR to assess if a director is free of any interest, position, association or relationships that might influence or be perceived to influence in a material manner, the director's capacity to hold an independent view on matters before the Board.

CHAIR

The Chairman is responsible for the efficient organisation and conduct of the Board and the proper briefing of Board members on the activities of the Company and any specific responsibilities or duties assigned to Board members. The Chairman is also the bridge between the Board and the Company's executive officers and advisers.

The Chairman of the Board of Directors is Mr M G Kerr who has been the Chairman of the Board since 2008 and, since June 2016, the Company's Managing Directors/CEO.

Mr Kerr acknowledges that as the Chairman and Managing Director of a junior exploration company there is a significant time commitment and has confirmed that the other positions that he holds do not and will not hinder his effectiveness in the role of the Company's Executive Chairman.

TERM OF OFFICE

The Company's Constitution requires that all directors other than the Managing Director submit themselves for re-election every three years and may not hold office beyond the third Annual General Meeting following the Director's election/re-election. In addition, at every Annual General Meeting not less than one third of the previously elected directors must retire by rotation. Directors appointed during the period since the last Annual General Meeting of the Company must submit themselves for election at the next Annual General Meeting.

The term of office of each director is as incorporated into Principle 1 above and as noted on page 11 of the 2017 Annual Report.

BOARD INDUCTION AND PROFESSIONAL DEVELOPMENT

All new directors participate in an informal induction to the Company's activities, procedures, key strategies and staffing. The Board encourages all directors to participate in industry conferences and presentations that are particularly appropriate the Company's exploration and mining activities.

INDEPENDENT PROFESSIONAL ADVICE

Directors, in carrying out their duties as directors or as members of Board Committees, may, after prior consultation with the Chairman, seek independent professional advice at the expense of the Company. If appropriate, such advice will be available to all directors.

<p>Principle 3 ACT ETHICALLY AND RESPONSIBLY</p>

CODE OF CONDUCT

The Company operates under an informal code of conduct that sets out the ethical standards under which the Company operates when dealing with internal and external parties. This code requires parties to act with integrity, fairness and honesty in all dealings and to treat other parties with dignity at all times. The code covers:

- discrimination against any staff member or potential employee
- carrying out of duties in respect to the law at all times
- use and protection of the Company's assets responsibly

**Hawthorn Resources Limited
2017 Corporate Governance Statement**

Corporate Governance Practices and Conduct

- responsibility for their own actions and for the consequences surrounding their own actions
- trading in securities
- a commitment to shareholders interests
- conflicts of interest; and
- reporting of violations of the code

The Company has a Code of Conduct.

Principle 4 SAFEGUARD INTEGRITY IN FINANCIAL REPORTING

AUDIT AND RISK COMMITTEE (“Audit Committee”)

It is the Board's responsibility to ensure that an effective internal control framework exists within the entity. This includes internal controls to deal with both the effectiveness and efficiency of significant business processes, the safeguarding of assets, the maintenance of proper accounting records, and the reliability of financial information as well as non-financial considerations such as the benchmarking of operational key performance indicators.

The Board has delegated responsibility for establishing and maintaining a framework of internal control and ethical standards to the Committee. However, as the Board of Directors comprises five only directors of which two are normally resident in Australia, the functions of the committee are carried out within the structure and conduct of Board Meetings but under the Chairmanship of Dr Tyrwhitt. The Audit and Risk charter has been reviewed, updated and is subject to final review and approval by the Board.

The committee, as at the date of this statement, comprises:

Chairman	Dr D S Tyrwhitt (Independent Director)
Member	Mr M G Kerr (Board Chairman and Managing Director/CEO)

Each of the Committee members is financially literate and having served in senior positions within mining industry entities - their personal qualifications are set out in detail in the Directors' Report contained in the 2017 Annual Report at pages 3 and 4 together with the details of Committee meetings attended during the 2017 financial year are shown on page 7.

The Company's Auditors are invited to attend meetings and to participate in committee discussions. The Company Secretary and the Group Financial Officer attend committee meetings.

The main duties of the Committee have been established as and include:

- the review of the Audit Programme and all matters relevant to the financial affairs of the Company's activities together with the production of Statutory Financial Reports inclusive of the Reports and Declarations by Directors

- carry out the functions of Group Risk management
- to review the performance of the external auditor and the level of fees charged for audit services.

CEO AND CFO DECLARATION

As required, the Managing Director/CEO and Chief Financial Officer provided assurance to the Board prior to the release of the 31 December 2016 and the 30 June 2017 financial statements that, in their opinion:

- (a) the financial records of the company/disclosing entity have been properly maintained in accordance with section 286 of the Corporations Act 2001
- (b) the financial statements, comprising the consolidated statement of profit or loss and other comprehensive income, consolidated statement of financial position, consolidated statement of cash flows, consolidated statement of changes in equity, and accompanying notes, are in accordance with the Corporations Act 2001 and:
 - (i) comply with Accounting Standards and the Corporations Regulations 2001; and
 - (ii) give a true and fair view of the financial position as at 30 June 2016 and of the performance for the year ended on that date of the company and the consolidated entity.
- (c) any other matters prescribed by the Regulations for the purposes of section 295A have been satisfied in relation to the financial statements and notes for the financial year, and
- (d) the financial statements are founded on a sound system of risk management and internal compliance and control which implements the policies adopted by the Board. The company's risk management and internal compliance and control systems are operating efficiently and effectively in all material respects.

The Board agrees with the views of the ASX on this matter and notes that due to its nature, internal control assurance from the Managing Director/CEO and Chief Financial Officer can only be reasonable rather than absolute. This is due to such factors as the need for judgement, the use of testing on a sample basis, the inherent limitations in internal control and because much of the evidence available is persuasive rather than conclusive and therefore is not and cannot be designed to detect all weaknesses in control procedures. In response to this, internal control questions are required to be completed by the key management personnel of all significant business units, including finance managers, in support of these written statements.

EXTERNAL AUDITOR

As noted, the duties of the Committee include reviewing the performance of the external auditor and the level of fees charged for audit services to ensure the quality and independence of the External Auditor.

The Company's External Auditor is BDO - East Coast Partnership which has audited the Company's financial affairs since 2012 when it merged its activities with those of PKF (Pannell Kerr Foster) which had been the Company's Auditors since incorporation.

In line with legislation the BDO- East Coast Partnership rotate the audit engagement partner on listed entities at least every five years. The current audit engagement partner was appointed on and as from the financial year ended 30 June 2013.

**Hawthorn Resources Limited
2017 Corporate Governance Statement**

Corporate Governance Practices and Conduct

The amount of the fees paid to the External Auditor is reported in the Annual Report on page 39; there were no fees paid for non-audit services. As required and as included in the Annual Report, the Auditor provides an annual declaration of independence - see page 14 of the Annual Report.

The External Auditor attends the Company's Annual General Meetings and is available to answer shareholders questions relative to the conduct of the audit and the preparation and content of the Auditor's Independent Report - see pages 41 and 43 of the 2017 Annual Report.

Principle 5 MAKE TIMELY AND BALANCED DISCLOSURES

CONTINUOUS DISCLOSURE

While the Company's policy on continuous disclosure for complying with the disclosure obligations recommended by the ASXCGPR (Recommendation 5.1) has been adopted which is to ensure that the Company identifies and discloses any matter that a reasonable person would expect to have a material effect on the price of the Company's shares.

All such disclosure matters as released to the ASX are posted onto the Company's website.

The Company's continuous disclosure compliance procedure enables it to meet its obligations and to ensure that all matters, which may require announcement to the Australian Securities Exchange, are brought to the attention of directors immediately. Corporate Governance and Compliance is a 'standing' Agenda item for Board of Directors meetings.

The Company does not web-cast shareholder meetings and does not believe that at this stage the cost-benefit of web casting is worthwhile to a Company of its size.

--

AUDIT AND RISK (mandated to the Audit, Compliance and Corporate Governance Committee)

Structure - refer to Principle 4 for details composition, structure and membership.

Risk

The Board has continued its proactive approach to risk management. The identification and effective management of risk, including calculated risk-taking, is viewed as an essential part of the Company's approach to creating long-term shareholder value.

In recognition of this, the Board determines the Company's risk profile and is responsible for overseeing and approving risk management strategy. The Committee reviews policies, internal compliance and internal control.

The Committee, pursuant to the mandate by the Board of Directors, oversees on an ongoing basis the assessment of the effectiveness of risk management and internal compliance and control. The tasks of undertaking and assessing risk management and internal control effectiveness are delegated to management through the Chief Executive Officer and Chief Financial Officer, including responsibility for the day to day design and implementation of the Company's risk management and internal control system.

Management reports to the Committee on the Company's key risks and the extent to which it believes these risks are being adequately managed. The reporting on risk by Management is a standing agenda item at Board meetings.

A review of the Risk Management Policy and Framework is currently under consideration and, if thought fit, adoption by the Board of Directors.

**Hawthorn Resources Limited

Corporate Governance Practices and Conduct

- ability to raise capital or generate free cash flow to fund future exploration and development activities
- failure to market the company's mining resources
- general economic factors including those affecting interest rates, mineral commodity prices and exchange rates
- changes in Corporations and Taxation Laws.
